Alexandria, VA 22313-1450

Sir:

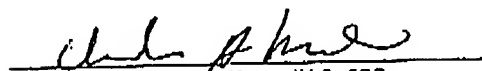

Responsive to the Office Action of June 15, 2007, Applicant request  
reconsideration of the application in view of the remarks presented herein.

The response of April 20, 2007 was held to be incomplete since it did not respond  
to the objection to the disclosure under 35 USC CFR1.71 since the Examiner indicated  
the disclosure as being incomprehensible. The Examiner indicated that pages 4 and 5  
disclosed refractory products produced with the polycendensation products of the  
invention but disclosed no conditions or specific steps.

The undersigned is surprised at the Examiner's position since the undersigned had  
an interview with him on November 30, 2006 at which time, the application and the
